Filipino

PROFESSIONAL SUMMARY

I have extensive experience in both the caregiving and manufacturing fields. I am known for my sense of responsibility and flexibility. I am currently seeking a long-term position in a stable workplace where I can apply my experience in caregiving, inspection tasks, and machine operation. I also possess basic computer skills including Canva, Google Docs, and Excel. In addition, I have experience in web design using HTML and CSS, and I have created my own portfolio website.

SKILLS & STRENGTHS

- Languages: Fluent in Filipino, English, and Japanese (daily conversation)
- Basic computer skills: Canva, Google Docs, Excel
- Experience in caregiving and factory operations
- Teamwork and responsibility-driven mindset
- Web Design (HTML/CSS basics, Canva-based layout design)
- Experience creating a personal portfolio website

WORK EXPERIENCE

- ◆ **Vihara Hana-no-Sato Hospital – Caregiver Staff**
Aug 2021 – Present
 - Assisted with bathing and daily living activities
- ◆ **Seijin Kai – Caregiving Assistant**
